From the President Desk

Dear Friends,

We are constantly working for empowerment of women of the weaker section of the society since January 2012. The Dreamt day came and we had a beautiful rented premises A/C equipped with fifteen desired class of children of special needs, few a bit retarded and five from poorest of the poor families. Our team was ready to embrace them and decided to take care of all their needs, educational as well as health and social. We vowed to go ahead with a meagre instant Contribution of Rupees 5000/- each by all the executive members and a Compulsory perpetual monthly contribution of Rupees 1000/- ahead. We have but to appreciate the zeal and enthuse of our friends. Thus the Caravan moved on and on.

Besides this many philanthropic people of the area came forward to help us out in persuasion of the noble cause. Heartiest thanks and bravo to them all.

Sincerely yours.
